

Archipelagos languages

Languages of the Archipelagos project include official languages in a country in the European Union, in a country candidate to join the European Union, in an AELE country and in countries participating in the Creative Europe programme. These languages are:

Български	Ελληνικά	Polski	Íslenska	Shqip	العربية
Català	Gaeilge	Português	Norsk	Bosanski	հայերէն
Čeština	Hrvatski	Română	Rumantsch	ქართული	
Dansk	Italiano	Slovenčina		Crnogorski	
Deutsch	Lietuvių	Slovenščina		Српски	
Eesti	Latviešu	Suomi		Türkçe	
English	Magyar	Svenska		українська	
Español	Malti				
Français	Nederlands				

The languages of the project also include all “officially recognised languages” in the countries listed above.

Please note that to be eligible, the translator’s language combination must be transnational: the two languages must cross borders.

For example, Basque to German is eligible but Basque to French is not.

If your language does not appear in the list above, please email us for more information at info@archipelagos-eu.org
